PREFACE

Double Tax Avoidance Agreement ("DTAA") is a tax treaty signed between two or more countries to help taxpayers avoid paying double taxes on the same income. A DTAA becomes applicable in cases where an individual is a resident of one nation, but earns income in another. DTAA's can either be comprehensive, encapsulating all income sources or limited to certain areas. India presently has DTAA with 120+ countries.

The government of India and the government of the Russian Federation signed a DTAA for the avoidance of double taxation and prevention of fiscal evasion with respect to taxes on income, which came into effect from 19 April, 1998. It is accompanied by a synthesised text which contains further clarifications and modifications so as to bring the DTAA in consonance with the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting ("MLI").

The DTAA covers the income tax and its surcharges in India and the income tax and taxes on profits (income) of enterprises and organisations in Russia. DTAA signed between the contracting states has various beneficial clauses like a withholding tax rate of 10% for interest, dividend and royalty. An exemption has been granted for interest earned by government institutions. The DTAA consists of various beneficial provisions like the mutual agreement procedure clause which provides for amicable resolution of disputes regarding the permanent establishment of individuals and companies.

DTAA also incorporates clauses like the elimination of double taxation which provides that the credit system shall be followed in Russia and a deduction with respect to such amount shall be allowed in India to eliminate double taxation; and exchange of information which facilitates the authorities to get access to all tax related foreseeably relevant information in order to impose the requisite taxes as per their respective domestic laws.

In determining such adjustment, due regard shall be had to the other provisions of [the Agreement] and the competent authorities of the [Contracting States] shall if necessary consult each other.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term "dividends" as used in this Article means income from shares, or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

4. In such case the provisions of Article 7 or 14 of this Agreement, as the case may be, shall apply.
6. Interest shall be deemed to arise in a Contracting State when the payer is the Contracting State itself, a political subdivision, a local authority thereof or a resident of that Contracting State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or a fixed base, then such interest shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.
7. Where by reason of a special relationship between the payer and the beneficial owner of interest or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Royalties and fees for technical services shall be deemed to arise in a Contracting State when the payer is that State itself, a political sub-division, a local authority or a resident of that State. Where, however, the person paying the royalties or fees for technical services, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties or fees for technical services was incurred, and such royalties or fees for technical services are borne by such permanent establishment or fixed base, then such royalties or fees for technical services shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

7. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of royalties or fees for technical services paid exceeds the amount which would have been paid in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities in the same circumstances and under the same conditions.

3. Nothing contained in this Article shall be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

4. Except where the provisions of Article 9, paragraph 7 of Article 11, or paragraph 6 of Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State.

5. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements

to which other similar enterprises of the first-mentioned State are or may be subjected in the same circumstances and under the same conditions.

6. The provisions of this Article shall apply to taxes which are the subject of this Agreement.

ARTICLE 25

MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits provided for in the domestic laws of the Contracting State.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult with each other for the elimination of double taxation in cases not provided for in this Agreement.

4. The competent authorities of the Contracting State may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs.

ARTICLE 26

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information (including documents) as is necessary for carrying out the provisions of this Agreement or of the domestic laws of the Contracting States concerning taxes covered by the Agreement in so far as the taxation thereunder is not contrary to the Agreement, in particular for the prevention of fraud or evasion of such taxes. Any information received by a Contracting State shall be treated as confidential in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) involved in the assessment or collection of, the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by the Agreement. Such persons or authorities shall use the information only for such purposes, but may disclose the information in public court proceedings or in judicial decisions.

2. The exchange of information or documents shall be either on a routine basis or on request with reference to particular cases or both. The competent authorities of the Contracting States shall agree from time to time on the list of the information or documents which shall be furnished on a routine basis.

3. In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation :

(a) to carry out administrative measures at variance with the laws and administrative practice of that or the other Contracting State ;

(b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State ;

(c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade

process, or information, the disclosure of which would be contrary to public policy.

ARTICLE 7 OF THE MLI - PREVENTION OF TREATY ABUSE

(Simplified Limitation on Benefits Provision)

Paragraph 8 of Article 7 of the MLI

Except as otherwise provided in the Simplified Limitation on Benefits Provision, a resident of a [Contracting State] shall not be entitled to a benefit that would otherwise be accorded by [this Agreement], other than a benefit under [paragraph 3 of Article 4 of this Agreement as modified by paragraph 1 of Article 4 of the MLI, Article 9 of this Agreement as modified by Paragraph 1 of Article 17 of the MLI or Article 25 of this Agreement], unless such resident is a "qualified person", as defined in paragraph 9 [of Article 7 of the MLI] at the time that the benefit would be accorded.

Paragraph 9 of Article 7 of the MLI

A resident of a [Contracting State] to [the Agreement] shall be a qualified person at a time when a benefit would otherwise be accorded by [the Agreement] if, at that time, the resident is:

- (a) an individual;
- (b) that [Contracting State], or a political subdivision or local authority thereof, or an agency or instrumentality of any such [Contracting State], political subdivision or local authority;
- (c) a company or other entity, if the principal class of its shares is regularly traded on one or more recognised stock exchanges;
- (d) a person, other than an individual, that:
 - (i) is a non-profit organisation of a type that is agreed to by the [Contracting States] through an exchange of diplomatic notes; or
 - (ii) is an entity or arrangement established in that [Contracting State] that is treated as a separate person under the taxation laws of that [Contracting State] and:
 - (A) that is established and operated exclusively or almost exclusively to administer or provide retirement benefits and ancillary or incidental benefits to individuals and that is regulated as such by that [Contracting State] or one of its political subdivisions or local authorities; or
 - (B) that is established and operated exclusively or almost exclusively to invest funds for the benefit of entities or arrangements referred to in subdivision A);
- (e) a person other than an individual, if, on at least half the days of a twelve-month period that includes the time when the benefit would otherwise be accorded, persons who are residents of that [Contracting State] and that are entitled to benefits of the Agreement under subparagraphs a) to d) own, directly or indirectly, at least 50 per cent of the shares of the person.

Paragraph 10 of Article 7 of the MLI

(a) A resident of a [Contracting State] will be entitled to benefits of [the Agreement] with respect to an item of income derived from the other [Contracting State], regardless of whether the resident is a qualified person, if the resident is

engaged in the active conduct of a business in the first-mentioned [Contracting State], and the income derived from the other [Contracting State] emanates from, or is incidental to, that business. For purposes of the Simplified Limitation on Benefits Provision, the term "active conduct of a business" shall not include the following activities or any combination thereof:

- (i) operating as a holding company;
 - (ii) providing overall supervision or administration of a group of companies;
 - (iii) providing group financing (including cash pooling); or
 - (iv) making or managing investments, unless these activities are carried on by a bank, insurance company or registered securities dealer in the ordinary course of its business as such.
- (b) If a resident of a [Contracting State] derives an item of income from a business activity conducted by that resident in the other [Contracting State], or derives an item of income arising in the other [Contracting State] from a connected person, the conditions described in subparagraph a) shall be considered to be satisfied with respect to such item only if the business activity carried on by the resident in the first-mentioned [Contracting State] to which the item is related is substantial in relation to the same activity or a complementary business activity carried on by the resident or such connected person in the other [Contracting State]. Whether a business activity is substantial for the purposes of this subparagraph shall be determined based on all the facts and circumstances.
- (c) For purposes of applying this paragraph, activities conducted by connected persons with respect to a resident of a [Contracting State] shall be deemed to be conducted by such resident.

Paragraph 11 of Article 7 of the MLI

A resident of a [Contracting State] that is not a qualified person shall also be entitled to a benefit that would otherwise be accorded by [the Agreement] with respect to an item of income if, on at least half of the days of any twelve-month period that includes the time when the benefit would otherwise be accorded, persons that are equivalent beneficiaries own, directly or indirectly, at least 75 per cent of the beneficial interests of the resident.

Paragraph 12 of Article 7 of the MLI

If a resident of a [Contracting State] is neither a qualified person pursuant to the provisions of paragraph 9 [of Article 7 of the MLI], nor entitled to benefits under paragraph 10 or 11 [of Article 7 of the MLI], the competent authority of the other [Contracting State] may, nevertheless, grant the benefits of [the Agreement], or benefits with respect to a specific item of income, taking into account the object and purpose of [the Agreement], but only if such resident demonstrates to the satisfaction of such competent authority that neither its establishment, acquisition or maintenance, nor the conduct of its operations, had as one of its principal purposes the obtaining of benefits under [the Agreement]. Before either granting or denying a request made under this paragraph by a resident of a [Contracting State], the competent authority of the other [Contracting State] to which the request has been made shall consult with the competent authority of the first-mentioned [Contracting State].

Paragraph 13 of Article 7 of the MLI

For the purposes of the Simplified Limitation on Benefits Provision:

- (a) the term "recognised stock exchange" means:
 - (i) any stock exchange established and regulated as such under the laws of either [Contracting State]; and
 - (ii) any other stock exchange agreed upon by the competent authorities of the [Contracting States];
- (b) the term "principal class of shares" means the class or classes of shares of a company which represents the majority of the aggregate vote and value of the company or the class or classes of beneficial interests of an entity which represents in the aggregate a majority of the aggregate vote and value of the entity;

(c) the term "equivalent beneficiary" means any person who would be entitled to benefits with respect to an item of income accorded by a [Contracting State] under the domestic law of that [Contracting State], [the Agreement] or any other international instrument which are equivalent to, or more favourable than, benefits to be accorded to that item of income under [the Agreement]; for the purposes of determining whether a person is an equivalent beneficiary with respect to dividends, the person shall be deemed to hold the same capital of the company paying the dividends as such capital the company claiming the benefit with respect to the dividends holds;

(d) with respect to entities that are not companies, the term "shares" means interests that are comparable to shares; two persons shall be "connected persons" if one owns, directly or indirectly, at least 50 per cent of the beneficial interest in the other (or, in the case of a company, at least 50 per cent of the aggregate vote and value of the company's shares) or another person owns, directly or indirectly, at least 50 per cent of the beneficial interest (or, in the case of a company, at least 50 per cent of the aggregate vote and value of the company's shares) in each person; in any case, a person shall be connected to another if, based on all the relevant facts and circumstances, one has control of the other or both are under the control of the same person or persons.

The following paragraphs 1 to 3 of Article 10 of the MLI applies and supersedes the provisions of this Agreement:

ARTICLE 10 OF THE MLI - ANTI-ABUSE RULE FOR PERMANENT ESTABLISHMENT SITUATED IN THIRD JURISDICTIONS

Paragraph 1 of Article 10 of the MLI

Where:

- a. an enterprise of a [Contracting State] derives income from the other [Contracting State] and the first-mentioned [Contracting State] treats such income as attributable to a permanent establishment of the enterprise situated in a third jurisdiction; and
- b. the profits attributable to that permanent establishment are exempt from tax in the first-mentioned [Contracting State],

the benefits of [the Agreement] shall not apply to any item of income on which the tax in the third jurisdiction is less than 60 per cent of the tax that would be imposed in the first-mentioned [Contracting State] on that item of income if that permanent establishment were situated in the first-mentioned [Contracting State]. In such a case, any income to which the provisions of this paragraph apply shall remain taxable according to the domestic law of the other [Contracting State], notwithstanding any other provisions of [the Agreement].

Paragraph 2 of Article 10 of the MLI

Paragraph 1 [of Article 10 of the MLI] shall not apply if the income derived from the other [Contracting State] described in paragraph 1 [of Article 10 of the MLI] is derived in connection with or is incidental to the active conduct of a business carried on through the permanent establishment (other than the business of making, managing or simply holding investments for the enterprise's own account, unless these activities are banking, insurance or securities activities carried on by a bank, insurance enterprise or registered securities dealer, respectively).

Paragraph 3 of Article 10 of the MLI

If benefits under [the Agreement] are denied pursuant to paragraph 1 [of Article 10 of the MLI] with respect to an item of income derived by a resident of a [Contracting State], the competent authority of the other [Contracting State] may, nevertheless, grant these benefits with respect to that item of income if, in response to a request by such resident, such competent authority determines that granting such benefits is justified in light of the reasons such resident did not satisfy the requirements of paragraphs 1 and 2 [of Article 10 of the MLI]. The competent authority of the [Contracting State] to which a request has been made under the preceding sentence by a resident of the other [Contracting State] shall

consult with the competent authority of that other [Contracting State] before either granting or denying the request.

The following paragraph 1 of Article 7 of the MLI applies and supersedes the provisions of this Agreement:

ARTICLE 7 OF THE MLI - PREVENTION OF TREATY ABUSE (Principal Purposes Test provision)

Notwithstanding any provisions of [the Agreement], a benefit under [the Agreement] shall not be granted in respect of an item of income if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of [the Agreement].
