PREFACE

Double Tax Avoidance Agreement ("DTAA") is a tax treaty signed between two or more countries to help taxpayers avoid paying double taxes on the same income. A DTAA becomes applicable in cases where an individual is a resident of one nation, but earns income in another. DTAA's can either be comprehensive encapsulating all income sources or limited to certain areas. India presently has DTAA with 120+ countries.

The government of India has entered into a DTAA with the government of the United Arab Emirates ("UAE") for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and on capital which was originally came into force from 23 September, 1993. Thereafter, amendments were made to it through the amending protocols signed on 26 March, 2007 and 16 April, 2012.

India and UAE are both signatories to the Multilateral Convention (MLI) to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting (BEPS) and are part of the Organisation for Economic Co-operation and Development ("OECD") and had thus signed the synthesised text and submitted the same to OECD in order to implement and make provisions for BEPS in the tax treaty. This was signed by India on 7 June, 2017 and by UAE on 27 June, 2018 which was ratified by OECD on 25 June, 2019. Now, the companies resident in India as well as UAE are able to take shelter under the treaty, thereby, avoiding double taxation and/ or taxation at higher rates.

With the ratification of the MLI provisions by the OECD, the scope of the DTAA has been widened. Now, the General Anti-Avoidance Rule (GAAR) provisions under the India's Income Tax Act, 1961 would only apply when the 'main purpose' of the arrangement is to obtain a tax benefits. In-line with the recent trends of the introduction of Limitation of Benefit (LOB) clause and the mutual agreement procedure (MAP) clause under the Indian tax treaties, such clauses have been introduced in this tax treaty as well.

For expatriates' double taxation agreement come into play when they have a second residence outside of UAE and companies with more than 1 year of establishment in UAE can also avail the benefits of the DTAA by applying for the 'Tax Residence Certificate' issued by the UAE government.

KEY HIGHLIGHTS

The DTAA makes provision for elimination on double taxation by granting exclusive right to tax to one of the countries, limiting the rate of taxation of each country and by granting right to resident of another country to obtain credit for taxes paid in the source country. The main features of the India- UAE DTAA are as follows:

01

APPLICABILITY OF THE DTAA

In the UAE, DTAA covers-

- income tax;
- corporation tax;
- wealth tax.

Whereas in India, DTAA applies to-

- income tax, including surcharges;
- surtax;
- wealth tax.

02

LIMITATION OF BENEFIT

The LOB clause was replaced with the signing of the synthesised text and it now specifies that the benefits under the tax treaty shall not be granted in respect of an item of income if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of the tax treaty.

03

RESIDENTIAL STATUS

The general rule is that an individual is deemed to be a resident of the state where his permanent home is available and is taxable by reason of domicile, residence, place of management or any other criteria. However, in UAE, the residential status will be determined based on the number of days which a person/company is in UAE/ is managed and controlled wholly in UAE. The prescribed period is an aggregate of 184 days in a calendar year. If a person is a resident of both contracting states, then residence will be determined as follows:

- A permanent home in both states- deemed to be a resident of the country in which personal and economic relations are closer;
- If the above rule is not determinable- then he is deemed to be resident of which he is a habitual abode;
- If he is a habitual abode in both states- then he is deemed to be a resident of the country which is his nationality;
- In case, the assessee is a national of both states or neither of them- the competent authorities shall determine the residential status by mutual agreement.

04

SECONDARY ADJUSTMENTS

The synthesised text provides that when a state includes in the profits of an enterprise the tax that it has paid to the state government in which it arises, then that other state shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustments, due regard shall be made to the main DTAA signed.

05

MUTUAL AGREEMENT PROCEDURE

In case, there is no clarity on any provision or an action which gives rise to taxation, it shall be dealt with as is decided by the mutual agreement between the parties. This clause provides that a notice of such an instance must be sent within 3 years of the occurrence of such an event.

06

WITHHOLDING TAX RATES

Following are the withholding tax rates agreed upon in the DTAA:

- Interest- a) 5% if loan is granted by a bank/similar financial institute and b) 12.5%, in all other cases;
- Dividend- 10%;
- Royalty- 10%.

INDIA-UAE

DTAA

(COMPREHENSIVE AGREEMENT)

India and UAE signed the DTAA which was later amended by the Protocols signed in 2007 and 2012 in order to implement the changes to made to align the DTAA with the MLI and BEPS provisions. As a result, there is a comprehensive agreement and its synthesised text which complements it. The comprehensive agreement as signed between the parties can be referred to below:

Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed

This document was prepared jointly by the Competent Authorities of India and United Arab Emirates and represents their shared understanding of the modifications made to the Agreement by the MLI.

The document was prepared on the basis of the MLI position of India submitted to the Depository (the Secretary-General of the Organisation for Economic Co-operation and Development) upon ratification on 25th June, 2019 and of the MLI position of United Arab Emirates submitted to the Depository upon ratification on 29th May, 2019. The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as changes from "Covered Tax Agreement" to "Agreement" and changes from "Contracting Jurisdiction" to "Contracting State"), to ease the comprehension of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Agreement by replacing such descriptive language with the article and paragraph numbers or language of the existing provisions. These changes are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI.

Unless the context otherwise requires, references made to the provisions of the Agreement will be understood as

referring to the provisions of the Agreement as modified by the provisions of the MLI.

2. Subject to the provisions of paragraph (3), where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph (2) shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary ; the methods of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by the permanent establishment of goods or merchandise for the enterprise.

The following paragraph 1 of Article 17 of the MLI applies and supersedes the provisions of this Convention:

ARTICLE 17 OF THE MLI – CORRESPONDING ADJUSTMENTS

Where a Contracting State includes in the profits of an enterprise of that Contracting State – and taxes accordingly – profits on which an enterprise of the other Contracting State has been charged to tax in that other Contracting State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Contracting State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Contracting State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of Contracting State and the competent authorities of the Contracting State shall if necessary consult each other.

ARTICLE 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.
2. However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the recipient is the beneficial owner of the dividends, the tax so charged shall not exceed 10 per cent.
3. The term "dividends" as used in this Article means income from shares of other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.
4. The provisions of paragraphs (1) and (2) shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.
5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

(ii) the Central Bank of the other Contracting State.

4. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from Government securities and income from bonds or debentures including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

5. The provisions of paragraphs (1) and (2) shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Interest shall be deemed to arise in a Contracting State when the payer is that Contracting State itself, a political sub-division, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.

7. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 12

ROYALTIES

1. Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties may also be taxed in the Contracting State in which they arise and according to the laws of that State, but if the recipient is the beneficial owner of the royalties the tax so charged shall not exceed 10 per cent of the gross amount of such royalties.

3. The term "royalties" as used in this Article means payment of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work, including cinematography films, or films or tapes used for radio or television broadcasting, any patent, trade mark, design or model, plan, secret formula or process, or for the

use of, or the right to use, industrial, commercial or scientific equipment, or for information concerning industrial, commercial or scientific experience but do not include royalties or other payments in respect of the operation of mines or quarries or exploitation of petroleum or other natural resources.

4. The provisions of paragraphs (1) and (2) shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein or performs in that other State independent personal services from a fixed base situated therein and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political sub-division, a local authority or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. 2. Where a resident of India derives income or owns capital which, in accordance with the provisions of this Agreement, may be taxed in U.A.E., India shall allow as a deduction from the tax on the income of that resident an amount equal to the income-tax paid in U.A.E. whether directly or by deduction; and as a deduction from the tax on the capital of that resident an amount equal to the capital tax paid in U.A.E. Such deduction in either case shall not, however, exceed that part of the income-tax or capital tax (as computed before the deduction is given) which is attributable, as the case may be, to the income or the capital which may be taxed in U.A.E. Further, when such resident is a company by which surtax is payable in India, the deduction in respect of income-tax paid in U.A.E. shall be allowed in the first instance from income-tax payable by the company in India and as to the balance, if any, from the surtax payable by it in India.

Such deduction shall not, however, exceed that part of income-tax as computed before the deduction is given, which is attributable to the income which may be taxed in the U.A.E.

ARTICLE 26

NON-DISCRIMINATION

The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other Contracting State than the taxation levied on enterprises of that Contracting State carrying on the same activities in the same circumstances or under the same conditions. This provision shall not be construed as preventing a Contracting State from charging the profits of a permanent establishment which a

4. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of that first-mentioned State are or may be subjected in the same circumstances and under the same conditions.

[This case must be presented within two years of the date of receipt of notice of the action which gives rise to taxation not in accordance with the Agreement.]

The following second sentence of paragraph 1 of Article 16 of the MLI replaces the second sentence of paragraph 1 of Article 27 of this Agreement:

ARTICLE 16 OF THE MLI – MUTUAL AGREEMENT PROCEDURE

The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at an appropriate solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to avoidance of taxation not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the national laws of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. When it seems advisable in order to reach agreement to have an oral exchange of opinion, such exchange may take place through a commission consisting of representatives of the competent authorities of the Contracting States. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

4. The competent authorities of the Contracting States may communicate with each other directly for the purpose of applying this Agreement.

ARTICLE 28

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting States, or of their political subdivisions or local authorities, insofar as the taxation thereunder is not contrary to the Agreement.
2. Any information received under paragraph 1 by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.
3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting State the obligation:
 - (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
 - (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;
 - (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information the disclosure of which would be contrary to public policy (ordre public).
4. If information is requested by a Contracting State in accordance with this Article, the other Contracting State shall use its information gathering measures to obtain the requested information, even though that other State may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.
5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.

The cases of legal entities not having bonafide business activities shall be covered by this Article.]

The following paragraph 1 of Article 7 of the MLI replaces Article 29 of this Agreement:

ARTICLE 7 OF THE MLI – PREVENTION OF TREATY ABUSE (Principal purposes test provision)

Notwithstanding any provisions of the Agreement, a benefit under the Agreement shall not be granted in respect of an item of income if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of the Agreement.
